Profile

B2B sales professional with **7+ years across DACH**, owning the full sales cycle: outbound prospecting, discovery, multi-stakeholder negotiation and closing with HR, procurement and C-level. Sells workforce solutions, framework contracts and AI-integration consulting to industrial and enterprise customers. Built two branches/locations from scratch and ran national and German tenders. **Builds his own AI tools** (outbound platform, automation workflows) and applies them in daily selling.

Core competencies

- **Full sales cycle:** prospecting, discovery, tailored solution pitch, negotiation, closing, expansion
- **Multi-stakeholder enterprise selling:** HR, procurement, management and C-level in DACH
- **Outbound:** cold calling, email and social outreach, account mapping, cross-selling in existing accounts
- **Tender and bid management:** nationwide in Austria and for Elevate Staffing in Germany (incl. ÖBB, WKO)
- **Pipeline, forecasting and CRM discipline:** Salesforce, HubSpot, SAP HANA, BMD, ATOSS
- **AI in the sales workflow:** Claude Code, n8n, Python; own outbound tool SalesGeist

Experience

IVM Technical Consultants — Senior Key Account Manager | IT, Engineering & AI Solutions

04/2026 – present
Vienna, Austria

- Manage **~€500K** revenue in existing enterprise accounts (industrial and rail, e.g. **Hitachi Rail GTS Austria, PKE Electronics AG**); single point of contact up to C-level.
- Win **~2 new customers per month** through cold outreach; expand existing accounts by cross-selling.
- Sell AI-integration consulting for HR processes and workflow automation, delivered with an expert team, alongside IT and engineering staffing and security solutions.
- Negotiate service and framework contracts; maintain account plans, pipeline and forecast.

Adecco — Key Account Manager | Enterprise Solutions

02/2025 – 04/2026
Wiener Neustadt, Austria

- **Built and led the Wiener Neustadt branch** as sole key account manager; took it to **€300K** revenue.
- Won new customers, negotiated framework agreements and ran national enterprise projects up to C-level; worked closely with the Head of Sales on targets, pipeline and reporting.
- Budget planning and market-potential analyses.
